

2024-2025 MIDDLE SCHOOL ELA AND RELIGION TEACHER

St. John's is seeking a passionate, creative, positive, and dedicated teacher with the desire to inspire our students and help them grow academically and spiritually in a Catholic school environment. This candidate should possess knowledge of instructional best practices, the role of data and assessment in student progress and growth, and classroom management. This candidate should have strong communication skills and the ability to work collaboratively with students, staff, and parents.

This is a full-time teaching position.

Responsibilities:

- Plan and implement engaging and challenging lessons for ELA and Religion.
- Use assessments and other data to help track progress and set individual student and grade level goals.
- Knowledge of state or Archdiocesan standards in ELA and Religion and how to implement them in a Catholic school.
- Provide an example of a disciple of Christ and a willingness to share and witness the Catholic faith with students, staff, and community.
- Continually communicate with students and parents about student progress, expectations, and needs.
- Communicate and collaborate with colleagues.
- Effectively communicate with staff, students and parents/guardians via telephone, email, notes, and newsletters when needed.
- Able to supervise students in various environments such as classroom, assemblies, field trips, and recess.

Schedule:

- School year from 7:30am-3:30pm.
- School and Parish community events outside of the school day.
- Staff meeting and professional development meetings.
- Supervise study hall, recess, and advisory.
- Full time position.

Qualifications:

- BA in Education. MN teacher's license or working towards MN licensure is preferred but not required.
- Practicing Catholic who has a strong desire to share your faith with others and create a learning environment which enhances the faith experience of our students.
- Works well with others while maintaining an enthusiastic, positive, and helpful attitude.

- Must have a positive mindset toward child learning and development while being flexible and adaptive in potentially stressful situations.
- Works effectively and collegially with others.
- Ability to work without supervision, makes common sense decisions and uses good judgment.
- Ability to take direction from the principal and keep them appropriately informed.
- Maintains appropriate conduct in the classroom and throughout the campus.
- Uses good people skills and behavior that is professional, collegial, respectful and maintains a positive environment while treating all people as you would want to be treated.
- Keep information confidential and conduct all activities with integrity and honesty.
- To be present, ready to work and on time for all scheduled hours.
- Maintain a safe, clean, and positive environment.
- Participate in extra-curricular activities in school as appropriate – Marathon, Wines to Wishes and Spring Family Night to support families and students.
- Be an example of a JOY (Jesus – Others – You) filled person.
